Have an adventure in paradise on Hawaii's Big Island

The Big Island's blissful beaches, lush mountains, fiery volcanoes and rolling ranch lands make each day an adventure waiting to happen!

Sure, you can visit Hawaii to simply soak up the sun on tropical sands—but the Big Island abounds with so many temptations, you're bound to want to get up from your beach chair and explore! Twice as big as all the other major Hawaiian islands put together, it offers an astonishing range of scenery—everything from misty rainforests, towering mountains and volcanic lava fields on the Hilo side, to some of the most beautiful white-sand beaches in the world along the sunny Kohala Coast.

Whether you're recreation-minded, leisure-loving or romance-seeking, there isn't any tropical fantasy

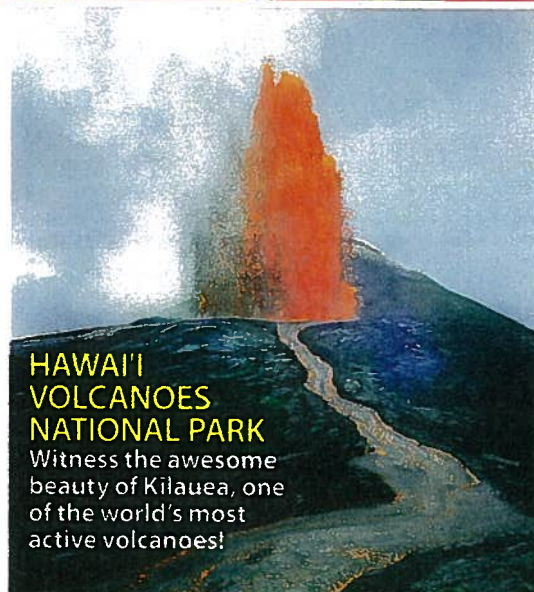

BOTANIC WONDERS

Exotic flowers light up the rain forest!

that can't be brought to life here!

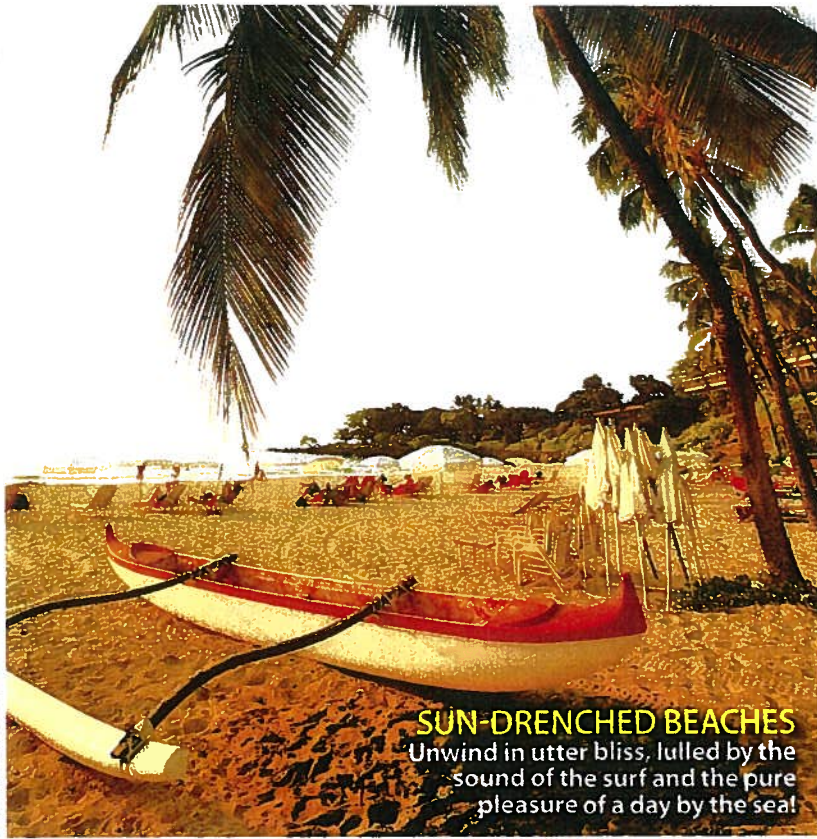

Picture yourself galloping across grassy ranch lands with Hawaiian *paniolos* (aka cowboys), paddling a kayak in the calm, clear waters of a sheltered cove, snorkeling amidst rainbow-colored fish or riding a zipline through the forest canopy past waterfalls. As the day winds down, relax on a romantic sunset cruise, sip a tropical cocktail (complete with umbrella!) from a café with ocean views or get a thrilling taste of Polynesian culture and cuisine at a luau.

And with summer temps hovering in the 80s, little seasonal rain and hotel rates descended from winter highs, right now is an idyllic time to catch the aloha spirit!

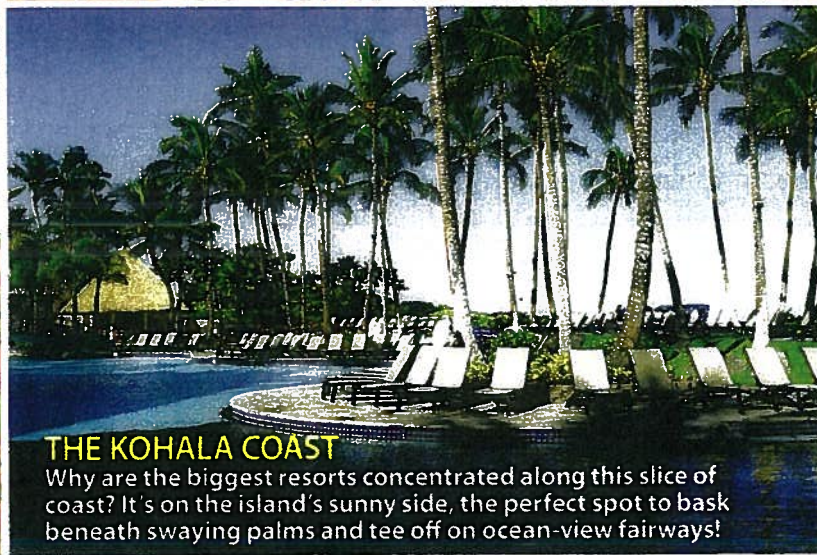

HAWAII VOLCANOES NATIONAL PARK

Witness the awesome beauty of Kilauea, one of the world's most active volcanoes!

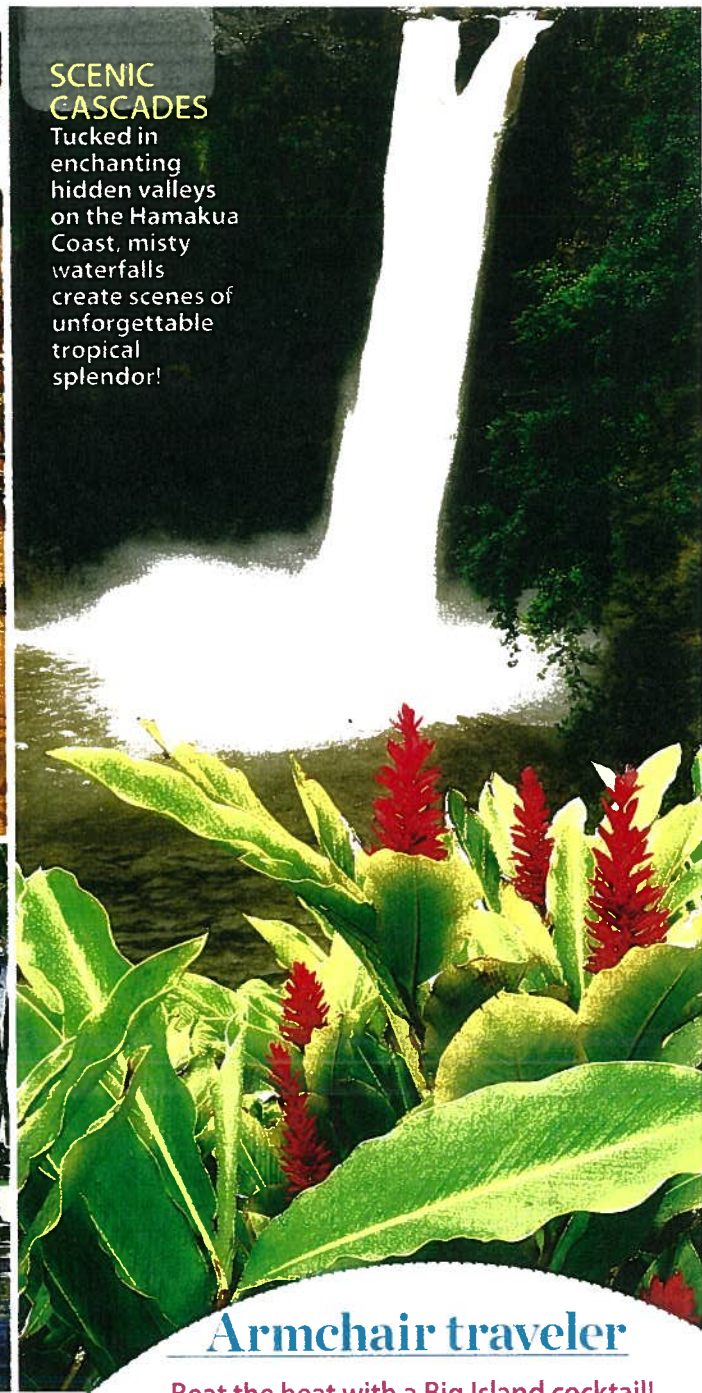

SUN-DRENCHED BEACHES

Unwind in utter bliss, lulled by the sound of the surf and the pure pleasure of a day by the sea!

THE KOHALA COAST

Why are the biggest resorts concentrated along this slice of coast? It's on the island's sunny side, the perfect spot to bask beneath swaying palms and tee off on ocean-view fairways!

SCENIC CASCADES

Tucked in enchanting hidden valleys on the Hamakua Coast, misty waterfalls create scenes of unforgettable tropical splendor!

Armchair traveler

Beat the heat with a Big Island cocktail!

Close your eyes and imagine your toes in the sand and an icy Out of the Blue cocktail in your hand . . . that's the way they roll on sunny days at the Waikoloa Resort's Lava Lava Beach Club!
